This is a monthly forum for academics to share ideas, questions, innovations, and experiences around teaching with technology.

D2L DAYLIGHT TOWN HALL
January 26, 2018, 12:00 – 1:00 p.m., Wells Hall, D-101
Join us for a demonstration, how-to, and discussion session about the new version of D2L, planned to launch in May. See new features, and ask questions you have about differences in the new version.

February 16, 2018, 12:00 – 1:00 p.m., Wells Hall, D-101
What is assessment? Come join a facilitated discussion of course and program-level assessment strategies. Share your ideas, debate and ask questions!

STUDENT SUCCESS INITIATIVES
March 30, 2018, 12:00 – 1:00 p.m., Wells Hall, D-101
Student success is at the forefront of campus strategic planning and initiatives. What are some of the major projects, and how can you participate? This is also an opportunity to share what you are working on in regard to improving student success at MSU.

STRATEGIES FOR BLENDED AND FLIPPED TEACHING
April 13, 2018, 12:00 – 1:00 p.m., Wells Hall, D-101
Join a panel of educators who are using technology to create blended and hybrid experiences. They’ll share their strategies, as well as ask questions and facilitate conversation.
